We are pleased to inform you that the school has successfully enabled the facility for payment of **school fees** through the **School Mobile App** for your convenience.

Parents/Guardians are encouraged to use this digital platform for hassle-free fee payment. Upon successful payment through the app, the fee details will be automatically updated in the school system, and a digital fee receipt can be generated instantly within the app itself.

Please note the following:

- Applicable service charge may be levied by the Bank/Payment Gateway on Debit Card/Credit Card/NEFT/IMPS for any transactions.
- At present, there may not be any additional charges for **UPI payments**; however, this is subject to individual bank policies.
- The school shall not be responsible for any such charges levied by banks or payment gateways.
- Late Fine charges shall be applicable as enumerated in Fees Rules in Circular Booklet issued to parents.

In case a **hard copy of the fee receipt** is required, parents may visit the school office during working hours.

We request all parents to kindly make use of this convenient digital payment system.
